- Connecting with caring people in Canadian communities where children live, learn and play
- Helping build local capacity through training, consulting services and offering top quality resources
- Working to make a positive and sustainable difference for Canadian children and youth

**Lions Quest Canada - The Centre for Positive Youth Development** is proud to offer a variety of workshop, training and consulting experiences designed to build local capacity and enhance your efforts in support of children and youth in your community. You can choose from our proven line up of options or we can customize the service to the needs of your audience.

A half day workshop is 3 hours long and provides the basic information. A full day workshop is 6 hours long and allows the participants to go into more depth with expanded activities and implementation planning.

Consulting services are available for agencies or projects that wish to invigorate your efforts with a Positive Youth Development approach.

Any of these topics can be customized for your audience or event theme. Contact Kay Nelles at 1-800-265-2680 ext. 102 or [kay@lionsquest.ca](mailto:kay@lionsquest.ca) to discuss the possibilities.
