

DO YOUR PART!

Community Workshop on Positive Youth Development

Goal for the Community Workshop

The goal of our “Do Your Part! Community Workshop” is to provide a forum for adults who care about our children, their future, and the well-being of our communities to connect around positive youth development at the grassroots level.

When we say it takes a village to raise a child, we need to make sure the village has the skills and knowledge to really make a powerful difference. By sharing ideas, what works, and the simple things everyone can do, we will have an impact.

The cost for this workshop is \$1,500 for a half day or \$1,750 for a full day, plus travel/accommodations for the trainer and workshop materials. An ideal group size is between 30 – 50 people but we are also flexible depending on your needs.
