

## Don't just take our word for it...

Here are some thoughts from our friends at Brandon University Faculty of Education:

We had the opportunity to provide pre-service teachers with Lions Quest training to familiarize them with the program and the implementation process. All of this was thanks to the generous support of funding from Lions District 5M-13 and LCIF.

Pre-service teachers shared comments like

- *that was amazing professional development*
- *I love this program*
- *I definately want to use these ideas with my future students*
- *my cooperating teacher uses this with their class and now I know more about it and how to implement in my future class*

The Faculty staff shared that any opportunity to support training in this high needs area of 'how to' offer students skills to cope and manage their personal well-being and offer leadership and citizenship experiences through service projects is very much a current area of interest to the education system at large. They are looking forward to continuing their partnership with Lions Quest.

**Now What?**

With just a month left in the Lions year, we won't reach our fundraising target for this year. So now what? Do we cut programs? Do we stop reaching out to support the social & emotional wellness of our young people?

It has been a very successful year in all other areas - by the end of the Lions year, we will have trained almost 200 educators in 27 schools and 23 school districts from seven provinces. We launched our new community rally and held several virtual events across the country as well.

While our activity slowed down during the pandemic, it certainly hasn't stopped, and we anticipate lots of growth as the social emotional well-being of students has been identified as a critical priority for fall.

We thank the following clubs for their support in April and May and look forward to a long list in June:

- 19-D** - North Kamloops, Penticton
- C-1** - Devon, Thorhild
- 5SKN** - Rosthern
- A-1** - Belmont, East Elgin Leos, Lucan District, St Thomas
- A-2** - Fenwick, Grimsby & District
- A-4** - Elgin
- A-9** - Seaforth, Thornbury Beaver Valley
- A-15** - Elora, Guelph, Kitchener, Marsville & District, Plattsville & District, South Wellington, Thamesford
- N-1** - Burton
- N-4** - Gambo, Placentia, Port Union

What about the 88% of Clubs that haven't invested in Lions Quest yet this year?

There are many ways that you can support us, check out the flyer and share it with your club. Please include Lions Quest Canada in your club budget for 2022-23 as we will need to make up the shortfall from this year.
